

SUNDAY WORSHIP

- We are a Local Church ■ with an eye for the Nations ■ for the supreme worth of Jesus Christ ■

Welcome to Redeemer Church KG!

We are grateful that you are here to worship the True Living God! This order of worship is intended to guide you through the worship service, as well as provide you with devotional material to take home.

In Preparation

The Lord's Day is the most important day of the week! Regardless of how the last week has gone, we are entering the presence of the King who is worthy of all worship. After greeting one another, we plan to worship as one body, not as individuals. And as such, we want to be prepared spiritually and help others to do the same.

As we worship, we will meditate on the themes of grace, love, obedience, faith, and Christ's victory. You will see again that the bible does not understand obedience and love to be opposed to each other. Rather, one is the expression of the other. Further, obedience, as the expression of love, points to a true faith that overcomes the world.

We encourage you to prepare for worship through prayer, by the reading of the Scripture, and thoughts of the Lord Jesus Christ's atoning work on the cross.

Worship Service: 10:00 AM

Discipleship Time: 11:30 AM

Welcoming each other reminds us that Christianity is the message of God greeting a people He loves. That he calls us to worship. We respond to his gracious initiative towards broken people and a broken world.

Having received God's grace, we offer our praise to him. God alone is worthy of our worship.

The Holy Spirit reveals in our hearts where we are worshipping something other than God. But Jesus, in his goodness, leads us from sorrow over sin to the sweetness of grace and forgiveness. Since its earliest days, the Church uses creeds to teach and proclaim truths about Christianity.

Knowing only Jesus satisfies, he meets our needs and strengthens our joy.

God's Word is central. He speaks to us and his word transforms those who will listen.

Having received God's grace, we respond together in faith.

God happily provides nourishment we need.

For those with faith in Jesus Christ, these are always words of blessing.
